INFORMATION DISCLOSURE STATEMENT UNDER 37C.F.R. 1.97(b)

Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449. Each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application (Copy of the International Search Report is also enclosed along with copies of related communication citing related documents) not more than three months prior to the filing of this Information Disclosure Statement, therefore, no fee is due.

Applicants respectfully request that the Examiner consider the listed documents indicate that they were considered by making appropriate notations on the attached Form PTO-1449.

This submission does not represent that a search has been made or that no better art exists. Nor does it constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there are any fees due in connection with the filing of this Statement, please charge the fees to our **Deposit Account, No. 18-1945.**

Respectfully submitted,
Ropes & Gray
